About

JD A.K.A. Joel Dieleman lets the music speak. Soulful, subtle, and always in the pocket, his keys bring a feeling that lingers long after the track ends. With a deep sense of taste and a natural touch, he moves through genres with ease, blending smooth melodies and raw emotion effortlessly.

Having worked with artists like Sevdaliza and Russo, Joel's sound has touched a wide range of projects, from cinematic atmospheres to more stripped-down, emotional tracks. As a multi-instrumentalist, he also performs live with artists like S10, Willem, and Sef, bringing his unique touch to every stage. Whether he's shaping sound in the studio or performing live, his contribution is always exactly what's needed, never overdone, never forced. His sound isn't just heard, it's felt, leaving a lasting impression wherever it goes.

Noteable cuts as Producer
